

# RAMPART 1000 KIT

The kits contain all the parts and equipment you need to make set up and connection as easy as possible. Instruction manuals and technical information are available on our website at [www.comunello.com](http://www.comunello.com). We also offer our service to provide expert technical support by phone. The actuator range is in compliance with CE directive (EMC, LVD, and R&TTE) and successive amendments..
